Defendants. )  
)  
\_\_\_\_\_)

This matter is before the court upon the magistrate judge's recommendation that the within action be dismissed. Because plaintiff is pro se, this matter was referred to the magistrate judge.<sup>1</sup>

This Court is charged with conducting a de novo review of any portion of the magistrate judge's report to which a specific objection is registered, and may accept, reject, or modify, in whole or in part, the recommendations contained in that report. 28 U.S.C. § 636(b)(1). However, absent prompt objection by a dissatisfied party, it appears that Congress did not intend for the district court to review the factual and legal conclusions of the magistrate judge. Thomas v Arn, 474 U.S. 140 (1985). Additionally, any party who fails to file timely, written objections to the magistrate judge's report pursuant to 28 U.S.C. § 636(b)(1) waives the right to raise those objections at the appellate court level. United States v. Schronce, 727 F.2d 91 (4th Cir. 1984). No objections have been filed to the magistrate judge's report.

<sup>1</sup>Pursuant to the provisions of Title 28 United States Code, § 636(b)(1)(B), and Local Rule 73.02(B)(2)(d), D.S.C., the magistrate judge is authorized to review all pretrial matters in cases filed under Title 42 United States Code, § 1983, and submit findings and recommendations to this Court.

case and the applicable law. Finding no error in the report, this court adopts the report and recommendation and incorporates it into this order.

For the reasons articulated by the magistrate judge, it is hereby **ordered** that plaintiff's motion to dismiss is **granted**, and the within action is hereby **dismissed** without prejudice.

**It is further ordered** that Plaintiff's motion for preliminary injunction , and Defendants' motion for summary judgment are denied as **MOOT**.

**AND IT IS SO ORDERED.**
